

## Squares where staff intend to point count in June

The table below lists the priority squares, as well as a few non-priority squares, where Atlas and other Bird Studies Canada staff intend to conduct point counts this June. Staff will also conduct additional point counts in the surrounding non-priority squares as time allows. Please let us know if you already planned on conducting point counts in any of these squares. as well, if you are responsible for a priority square but won't be conducting point counts in June, please let us know. The NB field team can be reached at 506-540-1822. The NS field team can be reached at 506-540-1906. Messages for other Bird Studies Canada staff can be left at 1866-528-5275.
